### Partners With Youth

Generous Camp Thunderbird families like you reach out to children in need every summer. Contributions to the Partners With Youth Fund provide for children who would otherwise not be able to have a Thunderbird Experience. In 2007, we raised over **\$3400** from donations made in this section of the T-Bird registration forms from 79 donors (most donations were in the \$20-\$30 range). 124 children were sponsored in 2007 totalling \$42,490 in financial assistance to support their Camp Thunderbird Experience.

To support a needy child in attending Camp Thunderbird, I wish to make a contribution in the amount of: \$ \_\_\_\_\_

(Donations will be processed with deposits and tax receipts will be issued.) Charitable Registration No.: 10822 5566 RP0001

## Photo Authorization

We'll be taking camper photos this summer for postcards and promotional items like our website, slideshows and printed material. The next brochure will be a multi year design in circulation for 3-4yrs. The slideshow is updated every year, but some photos remain in the show for 15 years or more. The photos placed on the web could be there for that long as well. By signing below, you are giving us permission to use photos of your child for the above purposes until you tell us otherwise.

I, \_\_\_\_\_(parent name), give permission to the YMCA-YWCA of Greater Victoria to use photos of the camper on this registration form for the purposes outlined above.

## E-mail Authorization

E-mails are downloaded from the server, printed, put in the cabin boxes at the dining hall and handed out to campers at meals. The staff do a great job of processing e-mail without reading it but campers often read the page and drop the paper in a place where other campers can read it. In the last few summers, a handful of e-mail messages have been brought to my attention by way of 3rd party campers and inappropriate content required me to take action in one form or another. I want campers and families to know that our e-mail system is not as secure as regular mail and friends/family should be careful when using the service. I'm also requiring you to designate three sender addresses/camper that we will "permit" in our delivery system. This will give parents some control over who is sending e-mail to your child. Once the address has been permitted, the service will function as it did in previous years. I hope these improvements make the service more valuable and sustainable for campers and their families.

## General Authorization

When you register, you must make a full payment, or provide a \$100 deposit (\$150 for Leadership) and a post-dated cheque or credit card (Visa/MasterCard) for the balance. Final payment must be dated for June 1st (May 1st for Leadership). Fees are non-refundable after June 1st (May 1st for Leadership). If you cancel before this date a full refund less \$50 administrative fee will be given. Refunds after June 1st will only be considered if accompanied by a physician's note.

In permitting my child \_\_\_\_\_ to attend Camp Thunderbird, operated by the YMCA-YWCA of Greater Victoria, I, the undersigned permit my child to participate in the full range of camp activities and authorize the Camp Director and his/her appointee, in the event of accident or illness affecting the above named camper, to authorize on my behalf all procedures, including admission to hospital and necessary treatment therein, as he/she deem essential for the care and well-being of said camper. This may include the ordering of injections, anaesthesia and/or surgery. Such action is taken only when immediate contact with the undersigned cannot be made. I give permission for the YMCA-YWCA staff to transport my child as necessary.

I have read and understand the payment plans and refund policies.

I have considered the options to ask questions about my child's upcoming experience and receive additional information from the camp registrar or the website: <http://www.victoriay.com>
