LOOKING FOR THIS YEAR'S T-SHIRT DESIGN

Has your son or daughter ever had a hankering to see their art work on display? Well what better way than on their fellow camper's t-shirts? We would love to receive hand drawn or computer submissions from our campers – emblem designs that they

think best portray the Camp. Please have them drop off their ideas at the downtown Y or mail them in by May 15th to the contact info listed below. Make sure we get all their contact information so we can notify them if their emblem is the one that's chosen!

The winner will be announced on May 23rd and will win a Thunderbird sweatshirt or fleece.

Leadership 2

SPACES STILL AVAILABLE

Space is still available for our August Leadership 2 (LD2) program. Open to 16-17 year-olds, LD2 emphasizes skills such as leadership, initiative, communication and counseling – all skills necessary to be a counselor. Participants get to work directly with groups of young campers to hone their skills. All LD2 applicants must be interviewed prior to being accepted. No prior camp experience is required.

HURRY TO SIGN UP!

Our wilderness experience program is filling quickly, with some boy's wilderness kayaking spots and wilderness hiking spots for boys and girls still available. If you know any 14-15 year-olds who are up for a challenge this summer, please have them contact us for details.

2008 VOLUNTEER WORK PARTY

Volunteers came out Saturday, March 29th for a day of sprucing up and setting up Camp for the 2008 season. 20 campers, staff and parents pitched in to clean cabins and other buildings, split fire wood, clear trails, paint buildings and move our fleet of boats out of winter storage. The Camp looks amazing and we are so appreciative to have received so much help.

We'll keep everyone up-to-date on future work parties.
